Dear Parents / Caregivers

SCHOOL CONTRIBUTIONS AND CHARGES 2027

The Dardanup Primary School Board has endorsed the schedule of contributions and charges for 2027. The schedule is broken into sections and will allow you to calculate all the costs that your child *might* incur for the school year. This is essential to your child's learning.

CONTRIBUTIONS

The total amount of contributions parents and carers are asked to pay has been contained within the $60.00 per student maximum set in the School Education Regulations (1999).

The School Board has decided that contributions for 2027 will be $60 per student.

In 2027 the money collected will be used to supplement school expenditure in areas listed below in the table. Anyone in financial hardship should contact the Principal and discuss alternative payment arrangements. While contributions are voluntary, the quality of our teaching and learning program will be maximised when each family makes its contribution to the cost of supplementing funding gained from other sources, including the State and Commonwealth Governments.

School Contributions Breakdown	
Mathematics resource consumables	$ 15.00
English / Library resource consumables	$ 10.00
Classroom Consumables	$ 8.00
The Arts resource consumables	$ 8.00
Technology & Enterprise resource consumables	$ 7.00
Science resource consumables	$ 8.00
Phys Ed resource consumables	$ 4.00
TOTAL	**$60.00**

CHARGES FOR EXTRA COST OPTIONAL COMPONENTS

A breakdown of estimated charges for your child's participation in excursions, incursions, activities etc. have been included in the schedule over the page. Staff used historical information and future planning to construct a table for our 2027 charges schedule. Students will only incur costs when they are involved in a particular activity. The amounts indicated on the schedule represent the maximum that may be charged for scheduled activities in 2027. As in the past, you will be asked to make payment for each activity as it approaches.
